Introduction

The Labor Market Information Planning Guide helps the public and private employers plan and implement affirmative action programs. The publication presents employment by Equal Employment Opportunity (EEO) occupation groups from the 2000 Census Special EEO Tabulation File for the District of Columbia and the Primary Metropolitan Statistical Area. This publication also updates work force data to reflect labor market conditions from 2002.

The District of Columbia Primary
Metropolitan Statistical Area includes the
District of Columbia; the Virginia cities of
Alexandria, Falls Church, Manassas,
Manassas Park, Fairfax and Fredericksburg;
the Virginia counties of, Fairfax, Arlington,
Prince William, Loudoun, Stafford, Clarke,
Warren, Fauquier, Culpepper, Spotsylvania
and King George; the Maryland counties
Montgomery, Prince Georges, Charles,
Frederick and Calvert; and the West Virginia
counties Berkeley and Jefferson.

EEO data for other occupational groups or geography is available through the United States Census Bureau's web based Census 2000 EEO Data Tool at the following address:

http://www.census.gov/eeo2000/index.html
